

Greg Byrd

Greg Byrd is Deputy Director and manager of business development and outreach and COMET. Over the past 22 years, he has been involved in teaching and managing for COMET's residence program and has developed content for several COMET online lessons in satellite meteorology and winter weather. He has also served as scientific group supervisor and senior program manager, prior to assuming his current duties. Before arriving at COMET, Greg was an associate professor of meteorology at the State University of New York College at Brockport. He received his Ph.D. in meteorology from the University of Oklahoma, M.S. in Atmospheric Science from Colorado State, and his B.S. in Meteorology from Penn State. He is a fellow of the American Meteorological Society, and is also a member of the National Weather Association, American Geophysical Union, and Sigma Xi. He has been a CoCoRaHS observer since 2001.
