Our "Five For CoCoRaHS" Year-End Fundraiser is kicking off this week!

At the end of each year we hold our annual on-line fundraiser providing the opportunity to make donations to support the CoCoRaHS volunteer rain gauge Network.

There is certainly no obligation to give. So many of us already help out immensely by taking daily rain, hail and snow observations. But many CoCoRaHS volunteers choose to help financially and that really makes a difference. Your gifts go directly to support CoCoRaHS activities such as precipitation data management, web development work, educational resources and outreach. Your giving helps sustain this project and provides opportunities for the future. We greatly thank you!

Our traditional "Five For CoCoRaHS" campaigns have asked folks to give just five dollars. Please consider giving **\$5.00** to this campaign. Although the amount may seem small, your donations add up quickly and have great impact in keeping the network going throughout the year.

For those who wish make larger donations, we have some nice "thank you" gifts for you. At the ***\$50 level and above*** we will send you our **Hurricane t-shirt**, the latest in our "CoCoRaHS Precipitation Series" t-shirts. At the ***\$100 level and above*** we will send you our **Hurricane t-shirt in a long sleeve version** (you can always choose a short sleeve instead). Please consider giving today.

Click here to make a donation: [**"DONATE"**](#)

Those who wish to mail in their donation, click on the donate button above and follow the instructions for donating by postal mail.

Contributions to CoCoRaHS are deductible as charitable contributions within the limits of the Internal Revenue Code. Please consult with your tax professional.

Please note that all donations received will go directly to the support of the CoCoRaHS Network and its sustainability. No funds received will be used to support the National Weather Service, which is a great advocate of CoCoRaHS.

Thank you very much for being a part of CoCoRaHS!

Your friends at CoCoRaHS
