

Brad Rippey

Brad Rippey is an agricultural meteorologist with the U.S. Department of Agriculture's Office of the Chief Economist, and the managing editor of the *Weekly Weather and Crop Bulletin*. He is also one of eleven rotating authors of the weekly U.S. Drought Monitor and a contributor to the monthly North American Drought Monitor. Rippey co-organized the biennial U.S. Drought Monitor Forum in 2005 and 2011. Prior to joining USDA in 1998, Rippey worked at various positions as a meteorologist for the U.S. Department of Commerce for more than 10 years. Since 1994, he has been a columnist and contributing editor for *Weatherwise* magazine, writing the U.S. portion of the "Weatherwatch" feature. Rippey is an avid traveler and in 2005 visited Hawaii, his 50th and final U.S. state. He is a 1988 graduate of Penn State University.
